

MEMORANDUM FOR: Mr. Stoertz  
Howie--

Attached is my formal response to your request for approval of the projections memoranda. I am also attaching a memo from   for your information, which suggests changes in the text of the Memorandum for the Record. Because I am not anxious to get into arguments on precision of language, I offer these as suggestions for your consideration to improve the clarity and ease the pain. If you accept them, fine; if you don't, I will understand.
